“I have been impressed with the urgency of DOING. Knowing is not enough; we must apply. Being willing is not enough; we must DO.”

“We would like to thank the City of Beaufort and the numerous citizens and stakeholders who participated in this exciting planning process. This effort is a reflection of the community’s vision and serves as the foundation for the next stages of Beaufort’s growth. It is intended to guide the leaders of today and the visionaries of tomorrow.

Craig Lewis, Principal in Charge

“This is so much more in depth than anything we’ve seen before, and I really appreciate that. My main concern is - Are our city leaders hearing it - and will they make the community aware of this plan? I hope it doesn’t go in a drawer like all the other plans have.”
